a. Recognition

Investment Industry Regulatory Organization of Canada (**IIROC**) is recognized as a self-regulatory organization under applicable legislation by each of the Recognizing Regulators and is a regulation services provider pursuant to National Instrument 23-101 *Trading Rules*.

b. Oversight Program

To ensure effective oversight of IIROC's performance of its self-regulatory activities and regulation services, the Parties to this Memorandum of Understanding (**MOU**) have developed an oversight program (the **Oversight Program**) which includes:

c. Previous Memoranda of Understanding

This MOU amends, restates and replaces the Memorandum of Understanding dated May 30, 2008 among the recognizing regulators of IIROC concerning the oversight of IIROC (the **Previous MOU**).

The Previous MOU superseded the letter agreement dated June 5, 2001 between the Investment Dealers Association of Canada (**IDA**) and the recognizing regulators of the IDA regarding the coordination of oversight of the IDA by the Canadian Securities Administrators and the Memorandum of Understanding Regarding Oversight of Market Regulation Services Inc. (**RS**) dated May 1, 2002 among the recognizing regulators of RS.

3. General Provisions

a. Oversight Committee

An oversight committee will be established (the **Oversight Committee**) which will act as a forum and venue for the discussion of issues, concerns and proposals related to the oversight of IIROC.

The Oversight Committee will include staff representatives from each of the Recognizing Regulators.

The Oversight Committee will provide to the Canadian Securities Administrators (**CSA**) Chairs an annual written report that will include a summary of all oversight activities during the previous period.

b. Staff Contact

The Principal Regulator will provide IIROC with key staff contacts in each jurisdiction for the purposes of matters arising under this MOU or relating to oversight in general.

c. Status Meetings

The Principal Regulator will organize quarterly conference calls and an annual in-person meeting of the Oversight Committee and IIROC staff. The purpose is to discuss matters relating to the oversight of IIROC, issues relating to the regulation of IIROC's Members and other matters that are of interest to the Recognizing Regulators and IIROC. The Principal Regulator is also responsible for taking minutes of these calls and in-person meetings.

4. Review of Information Filed

Any comments of the staff of the Recognizing Regulators on information filed by IIROC will be sent to the Principal Regulator. The Principal Regulator will request that IIROC respond to comments raised by the Recognizing Regulators and forward any response to the Recognizing Regulators.

5. Oversight Reviews

The Recognizing Regulators have developed procedures for performing periodic reviews of IIROC's self-regulatory activities and regulation services, as set out in Appendix "A".

The Recognizing Regulators have developed a Joint Rule Review Protocol (the **Protocol**) for coordinating the review and approval of, or non-objection to, IIROC by-laws and Rules, as set out in Appendix "B".

7. Appendices

The appendices are integral parts of this MOU.

8. Amendments to and Withdrawal from this MOU

This MOU may be amended from time to time as mutually agreed upon by the Recognizing Regulators. Any amendments must be in writing and approved by the duly authorized representatives of each Recognizing Regulator. Each Recognizing Regulator can, at any time, withdraw from this MOU on at least 90 days written notice to the Principal Regulator and to each Recognizing Regulator.

Appendix A

Oversight Reviews

The Recognizing Regulators will carry out periodic oversight reviews of IIROC's offices for the purposes of: (i) evaluating whether selected regulatory processes are effective, efficient, and are applied consistently and fairly; and (ii) assessing compliance with the terms and conditions of recognition.

A Recognizing Regulator may choose to participate in a coordinated review of an IIROC office depending on the functions carried out in that office, or may choose to rely on another Recognizing Regulator for the review of an IIROC office. In cases where a Recognizing Regulator chooses not to review the IIROC office in its jurisdiction, the other Recognizing Regulators may conduct a review of that IIROC office.

Each Recognizing Regulator may also perform an independent review of IIROC to deal with significant and/or local issues. Any Recognizing Regulator who intends to perform such a review will notify staff of the other Recognizing Regulators prior to conducting such a review.

The Recognizing Regulators who choose to participate in an oversight review are considered to be "Reviewing Regulators" for the purposes of this Appendix A.

The scope of the review will be determined by utilizing a risk-based methodology established and agreed upon by staff of the Reviewing Regulators.

When conducting a coordinated review, the Reviewing Regulators will use best efforts to adhere to the following within any timelines established among themselves:

- 1) The Reviewing Regulators will establish and agree on a work plan for the coordinated review that sets the target completion date for each step, including conducting the review, reviewing draft reports, confirming factual accuracy, translating and publishing the final report, and follow-up plans.
- 2) The coordinated review of IIROC's offices will be conducted at the same time and, for each IIROC office, a Reviewing Regulator will be designated as the regulator who has overall responsibility for the review of that office.
- 3) The Reviewing Regulators will develop and use a uniform review program and uniform performance benchmarks to conduct the coordinated review and will ensure the review is appropriately staffed in their respective jurisdiction.
- 4) The Principal Regulator will, as needed, arrange for communication among the Reviewing Regulators during the course of a review, to discuss the progress of the

work completed and to ensure appropriate consistency in the Reviewing Regulators' approach.

- 5) Each Reviewing Regulator will share with all other Reviewing Regulators the results of its review, including draft findings and, upon request, supporting materials.
- 6) Unless otherwise agreed upon, the Principal Regulator will draft a review report and share it among the Reviewing Regulators to ensure it meets all of their expectations and requirements, as applicable. The review report will:
 - a) take into account the draft findings and comments of the Reviewing Regulators, and
 - b) use a common set of criteria to rate the significance and urgency of findings.
- 7) After the Reviewing Regulators are mutually satisfied with the draft review report, the Principal Regulator will forward the draft review report to IIROC to confirm factual accuracy.
- 8) IIROC will review the draft review report for factual accuracy and respond to the Reviewing Regulators with comments.
- 9) The Reviewing Regulators will consider IIROC's comments and revise the review report as necessary.
- 10) The Principal Regulator will send the revised review report to IIROC for its formal response.
- 11) On receipt of IIROC's formal response, the Reviewing Regulators will incorporate such formal response and any follow-up plans to the review report as applicable.
- 12) Each Reviewing Regulator will seek the necessary internal approval to publish the final review report, taking into account language translation needs where applicable.
- 13) When each Reviewing Regulator has obtained the necessary internal approvals, the Principal Regulator will, and the other Reviewing Regulators may, publish the final review report.

Appendix B

Joint Rule Review Protocol

1. Scope and purpose

The Recognizing Regulators (**RRs**) have entered into this Protocol to establish uniform procedures for their review of and decision-making about Rule Changes proposed by IIROC.

Any review of a new by-law or amendment to an existing by-law proposed by IIROC will follow the process for review of and decision-making about Rule Changes set out in this Protocol, with the necessary adaptations.

2. Classifying Rule Changes

- (a) **Classification.** IIROC will classify each proposed Rule Change as “housekeeping” or “public comment”.
- (b) **Housekeeping Rule Changes.** A “housekeeping” Rule Change is a Rule Change that has no material impact on investors, issuers, registrants, IIROC, the Canadian Investor Protection Fund (**CIPF**) or the Canadian capital markets generally and that:
 - (i) makes necessary changes of an editorial nature (such as correcting a textual mistake or inaccurate cross-reference, correcting a translation, making a formatting change, or standardization of terminology),
 - (ii) changes the routine internal processes, practices, or administration of IIROC,
 - (iii) is necessary to conform to applicable securities legislation, statutory or legal requirements, accounting or auditing standards, or to other IIROC Rules or by-laws (including those that the RRs have approved or non-objected to, but which IIROC has not yet made effective), or
 - (iv) establishes or changes a due, fee or other charge imposed by IIROC under a Rule that the RRs have previously approved or non-objected to.
- (c) **Public comment Rule Changes.** A “public comment” Rule Change is any Rule Change that is not a housekeeping Rule Change.

- (i) within 5 business days of the date of IIROC's filing under section 3, staff of the RR who intends to disagree with the classification will advise staff of the other RRs, in writing, that they intend to disagree and provide reasons for its intended disagreement.
- (ii) within 3 business days of receiving or sending a notice of disagreement, staff of the Principal Regulator (**PR**) will discuss the classification, and may arrange a conference call, with staff of the other RRs and, as applicable, IIROC.
- (iii) if disagreement with the classification still exists after any such discussion, staff of the PR will notify IIROC of the disagreement, in writing, with a copy to staff of the other RRs within 10 business days of the date of IIROC's filing.
- (iv) if staff of the PR sends a notice of disagreement to IIROC under paragraph 2(d)(iii), IIROC will reclassify the proposed Rule Change as a public comment Rule Change or withdraw the proposed Rule Change by filing a written notice with staff of the RRs indicating that it will be withdrawing the Rule Change.
- (v) if IIROC does not receive any such notice of disagreement within 10 business days of the date of IIROC's filing, IIROC will assume that staff of the RRs agree with the classification.

3. Required Filings

- (a) **Language requirements.** IIROC will file the information required under this section concurrently in both English and French, accompanied with an attestation from a certified translator.

4. Review criteria

(c) **Publishing and responding to public comments.** Within 3 business days of the end of the subsection 6(b) comment period, IIROC will publish any public comments on its public website, if it has not already done so. IIROC will also prepare a summary of public comments and responses to those public comments, if any, and send them to staff of the RRs within any timelines established by staff of the RRs.

(d) **RR review.** After the subsection 6(b) comment period has ended, and, if applicable, IIROC has provided the summary and responses required by subsection 6(c), staff of the RRs will, in writing, provide any significant

16. Publishing materials

If staff of the PR publishes any materials under this Protocol, staff of the other RRs may also publish the same materials, and in such a case, staff of the PR will coordinate the publication date with staff of the other RRs.
