 - (b) defined or interpreted in National Instrument 21-101 - *Marketplace Operation* has the meaning ascribed to it in that National Instrument.
- (2) The provisions of this By-law and the Rules are subject to applicable laws. Subject to the By-laws and the Rules, any reference in this By-law or the Rules to a statute or a National Instrument refers to such statute or National Instrument and all rules and regulations made under it, as it may have been or may from time to time be amended or re-enacted.
- (3) In this By-law and the Rules and in all other By-laws hereafter passed and the Rules from time to time, unless the context otherwise requires, words importing the singular number or the masculine gender shall include the plural number or the feminine gender, as the case may be, and vice versa, and references to persons shall include, individuals, corporations, limited partnerships, general partnerships, joint ventures, associations, companies, trusts, societies or other entities, organizations and syndicates whether incorporated or not, trustees, executors, or other legal personal representatives, and any government or agency thereof. Section 1.3 Meaning of Independence

- (1) The term “Independent Director” means a Director who has no direct or indirect material relationship with the Corporation or a Member.

- (2) For the purposes of subsection (1), a “material relationship” is a relationship which could be reasonably expected to interfere with the exercise of a Director’s independent judgment.
- (3) Despite subsection (1), the following individuals are considered to have a material relationship with the Corporation or a Member:
 - (a) an individual who is, or has been within the last three years, an employee or executive officer of the Corporation;
 - (b) an individual whose immediate family member is, or has been within the last three years, an executive officer or non-independent director of the Corporation;
 - (c) an individual who, or whose immediate family member, is or has been within the last three years, an executive officer of an entity if any of the Corporation’s current executive officers serves or served at that same time on the entity’s compensation committee;
 - (d) an individual who received, or whose immediate family member who is employed as an executive officer of the Corporation received, more than \$75,000 in direct compensation from the Corporation during any 12 month period within the last three years;
 - (e) an individual who is, or has been within the last three years, a partner, director, officer, employee, or person acting in a similar capacity of:
 - (i) a Member,
 - (ii) an Associate of a Member, or
 - (iii) an affiliated entity of a Member, and
 - (f) an individual who is, or has been within the last three years, an Associate of a partner, director, officer, employee, or person acting in a similar capacity of a Member.
- (4) For the purposes of paragraph (3)(d), direct compensation does not include:
 - (a) remuneration for acting as a member of the Board or of any Board committee of the Corporation, and
 - (b) the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the Corporation if the compensation is not contingent in any way on continued service.

- (a) has previously acted as an interim chief executive officer of the Corporation, or
 - (b) acts, or has previously acted, as a chair or vice-chair of the Board or of any Board committee of the Corporation on a part-time basis.
- (6) If, despite the three-year cooling-off period described in sections 3(e) and (f), the nature or duration of an individual's relationship with a Member, its Associates, or its affiliated entities could be reasonably expected to interfere with the exercise of that individual's independent judgment, then a sufficiently longer cooling-off period from the Member, Associate, and affiliated entity is required for that individual to be considered an Independent Director.
- (7) Despite any determination made under sections (2) to (6), an individual is considered to have a material relationship with the Corporation if the individual:
 - (a) accepts, directly or indirectly, any consulting, advisory or other compensatory fee from the Corporation or any subsidiary entity of the Corporation, other than as remuneration for acting in his or her capacity as a member of the Board or any Board committee, or as a part-time chair or vice-chair of the Board or any Board committee; or
 - (b) is an affiliated entity of the Corporation or any of its subsidiary entities.
- (8) For the purposes of section (7), the indirect acceptance by an individual of any consulting, advisory or other compensatory fee includes acceptance of a fee by:
 - (a) an individual's spouse, minor child or stepchild, or a child or stepchild who shares the individual's home; or
 - (b) an entity in which such individual is a partner, member, an officer such as a managing director occupying a comparable position or executive officer, or occupies a similar position (except limited partners, non-managing members and those occupying similar positions who, in each case, have no active role in providing services to the entity) and which provides accounting, consulting, legal, investment banking or financial advisory services to the Corporation or any subsidiary entity of the Corporation.
- (9) For the purposes of section (7), compensatory fees do not include the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the Corporation if the compensation is not contingent in any way on continued service.

Section 3.5 Process for Approval for Membership of Dealer Members

- (1) An application for membership must be submitted to the Corporation in the form and executed in the manner prescribed by or under the authority of the Board, and shall be accompanied by such fees, information and documents as the Corporation may require.
- (2) Any firm shall be eligible to apply for membership as a Dealer Member if:
 - (a) It is formed under the laws of one of the provinces or territories of Canada and, where the firm is a corporation, it is incorporated under the laws of Canada or one of its provinces or territories;
 - (b) It carries on, or proposes to carry on, business in Canada as an investment dealer or mutual fund dealer, as applicable, and is registered or licensed in each jurisdiction in Canada where the nature of its business requires such registration or licensing, and is in compliance with such legislation and the requirements of any securities commission having jurisdiction over the applicant; and
 - (c) Its directors, officers, partners, investors and employees, and its holding companies, affiliated entities and related companies (if any), would comply with the By-laws and Rules of the Corporation that would apply to them if the applicant were a Dealer Member.

Where, for any reason that cannot reasonably be attributed to the Corporation or its staff, the application process (other than an application of an alternative trading system) has not been completed within six months from the date the application was accepted for review by the Corporation, the deposit shall be forfeited to the Corporation and the application shall be required to be resubmitted with a new nonrefundable application review deposit. For purposes of this Section, the application process shall be considered to be completed when Corporation staff recommends to the Board the approval or rejection thereof.
- (4) If in connection with the review or consideration of any application for membership, the Board is of the opinion that the nature of the applicant's business, its financial condition, the conduct of its business, the completeness of the application, the basis on which the application was made or any Corporation review in respect of the application in accordance with the By-laws and Rules of the Corporation has required, or can reasonably be expected to require, excessive attention, time and resources of the Corporation, the Board may require the applicant to reimburse the Corporation for some or all of its costs and expenses which are reasonably attributable to such excessive attention, time and resources or provide an undertaking or security in respect of such reimbursement. If an applicant is to be required to make such reimbursement of costs and expenses, the Corporation shall provide to the applicant a breakdown and explanation of such costs and expenses in sufficient detail to permit the applicant to understand the basis on which the costs and expenses were or are to be calculated.

- (5) The process for review and approval of the application for membership shall be determined by or under the authority of the Board, and the Corporation shall make a preliminary review of the same and either:
- (a) Where the application is incomplete, provide the applicant with a deficiency letter listing the items missing from or incomplete in the application, and, once Corporation staff have determined that the deficiencies have been addressed, perform a compliance review as referred to in Section 3.5(5)(b); or
 - (b) Where the application is complete, perform a compliance review and either:
 - (i) If such review discloses substantial compliance and willingness to comply with the requirements of the By-laws and Rules of the Corporation and approval of the application is considered to be in the public interest, forward a Corporation staff recommendation to approve the application to the Board for consideration along with the membership application; or
 - (ii) If such review discloses any substantial non-compliance or unwillingness to comply with the requirements of the By-laws and Rules of the Corporation, notify the applicant as to the nature of such non-compliance or unwillingness to comply and request that the application for membership be amended in accordance with the notification of the Corporation and refiled or be withdrawn. Once Corporation staff have determined that the necessary amendments have been made to the refiled application for membership, forward a Corporation staff recommendation to approve the application to the Board for consideration along with the membership application. If the applicant declines to amend or withdraw the application for membership, forward a Corporation staff recommendation to refuse the application to the Board for consideration along with the membership application and provide a copy of the recommendation to the applicant; or
 - (iii) If such review indicates that approval of the application is not in the public interest, notify the applicant as to the nature of the public interest concerns and request that the application for membership be withdrawn. If the applicant declines to withdraw the application for membership, forward a Corporation staff recommendation to refuse the application to the Board for consideration along with the membership application and provide a copy of the recommendation to the applicant.
- (6) The membership application approval process, as set out in the Corporation's By-laws and Rules established from time to time, shall commence once the Board receives:
- (a) The membership application from Corporation staff; and
 - (b) The Corporation staff recommendation to either approve or refuse the application pursuant to Section 3.5(5).

The applicant and Corporation staff shall have an opportunity to be heard in respect of any decision proposed to be made under this Section 3.5(7).
- (8) If the Board approves an application subject to terms and conditions as determined by or under the authority of the Board or refuses an application, the applicant shall be provided with a statement of the grounds upon which the Board has approved the application subject to terms and conditions or refused the application, and the particulars of those grounds.
- (9) The Board may as it considers appropriate vary or remove any such terms and conditions as may have been imposed on an applicant, if such terms and conditions are or are no longer, as the case may be, necessary to ensure that the Corporation's public interest mandate or the By-laws and Rules will be complied with by the applicant. In the event that the Board proposes to vary terms and conditions in a manner which would be more burdensome to the applicant, the provisions of Section 3.5(8) shall apply in the same manner as if the Board was exercising its powers thereunder in regard to the applicant.
- (10) If, pursuant to the provisions of Section 3.5(8), the Board approves an application subject to terms and conditions or refuses an application, the Board may order that the applicant may not apply for removal or variation of terms and conditions or reapply for approval, for such period as the Board provides.
- (11) Actions upon Approval of Application:
 - (a) If and when the application is approved by the Board, the Corporation shall compute the amount of the annual fee to be paid by the applicant.
 - (b) If and when the application has been approved by the Board, and the applicant has, if required to do so, been duly licensed or registered under applicable law of the province or provinces or territories in Canada in which the applicant carries on or proposes to carry on business, and upon payment of the balance of the entrance and annual fees, the applicant shall become and be a Dealer Member; and
