A purchaser should refer to applicable securities legislation for the particulars of these rights and should consult a legal adviser.”;

- (i) if there has been a statement of a purchaser's rights contained in a previous version of the ATM prospectus, the issuer discloses in the current ATM prospectus a statement to the effect that, solely with regard to the at-the-market distribution, the statement of rights required to be included in the ATM prospectus, under paragraph (h), supersedes the previous statement;
- (j) the ATM prospectus states:

- (k) the ATM prospectus includes the certificates required under Part 5 of NI41-101, or other securities legislation in the form required under section 9.5 or 9.6 of this Instrument, as applicable;
- (l) if the issuer is an investment fund, the ATM prospectus includes a statement that the at-the-market distribution will be conducted in accordance with paragraph 9.3(2)(a) of National Instrument 81-102 *Investment Funds*.

- (2) An underwriter of an at-the-market distribution, or a person or company acting jointly or in concert with the underwriter, must not, in connection with the distribution, enter into any transaction that is intended to stabilize or maintain the market price of the same class of securities distributed under the at-the-market distribution, including for greater certainty, trading a security that would result in the underwriter creating an over-allocation position in that class of securities.

9.4 Reporting
