- While every effort is made to ensure the accuracy of information included in the defaulting issuers' list, such accuracy cannot be guaranteed. Issuers should contact the Alberta Securities Commission (the 'Commission') if they believe they are included in this list in error. If appropriate, they will be then be removed from the list. Reporting Issuers are advised to obtain a certificate ('Certificate of Non-Default') under section 141 of the Alberta Securities Act (the 'Act') if they require a definitive statement as to whether the Commission's records indicate that they are in default under section 141 of the Act.

- Under section 141 of the Act, no person or company that knows or ought reasonably to know that a reporting issuer is in default may rely on a Certificate of Non-Default, or on the list included on this web page.

- While every effort is made to ensure the accuracy of information included in the defaulting issuers' list, such accuracy cannot be guaranteed. Issuers should contact the Alberta Securities Commission (the 'Commission') if they believe they are included in this list in error. If appropriate, they will be then be removed from the list. Reporting Issuers are advised to obtain a certificate ('Certificate of Non-Default') under section 141 of the Alberta Securities Act (the 'Act') if they require a definitive statement as to whether the Commission's records indicate that they are in default under section 141 of the Act.

- Under section 141 of the Act, no person or company that knows or ought reasonably to know that a reporting issuer is in default may rely on a Certificate of Non-Default, or on the list included on this web page.

- While every effort is made to ensure the accuracy of information included in the defaulting issuers' list, such accuracy cannot be guaranteed. Issuers should contact the Alberta Securities Commission (the 'Commission') if they believe they are included in this list in error. If appropriate, they will be then be removed from the list. Reporting Issuers are advised to obtain a certificate ('Certificate of Non-Default') under section 141 of the Alberta Securities Act (the 'Act') if they require a definitive statement as to whether the Commission's records indicate that they are in default under section 141 of the Act.

- Under section 141 of the Act, no person or company that knows or ought reasonably to know that a reporting issuer is in default may rely on a Certificate of Non-Default, or on the list included on this web page.

- While every effort is made to ensure the accuracy of information included in the defaulting issuers' list, such accuracy cannot be guaranteed. Issuers should contact the Alberta Securities Commission (the 'Commission') if they believe they are included in this list in error. If appropriate, they will be then be removed from the list. Reporting Issuers are advised to obtain a certificate ('Certificate of Non-Default') under section 141 of the Alberta Securities Act (the 'Act') if they require a definitive statement as to whether the Commission's records indicate that they are in default under section 141 of the Act.

- Under section 141 of the Act, no person or company that knows or ought reasonably to know that a reporting issuer is in default may rely on a Certificate of Non-Default, or on the list included on this web page.

ZYCOM CORPORATION	Cease Traded	Unfiled SEDI Issuer Profile Supplement

- While every effort is made to ensure the accuracy of information included in the defaulting issuers' list, such accuracy cannot be guaranteed. Issuers should contact the Alberta Securities Commission (the 'Commission') if they believe they are included in this list in error. If appropriate, they will be then be removed from the list. Reporting Issuers are advised to obtain a certificate ('Certificate of Non-Default') under section 141 of the Alberta Securities Act (the 'Act') if they require a definitive statement as to whether the Commission's records indicate that they are in default under section 141 of the Act.

- Under section 141 of the Act, no person or company that knows or ought reasonably to know that a reporting issuer is in default may rely on a Certificate of Non-Default, or on the list included on this web page.
